Fredrix Archival Stretched Watercolor Cotton Canvas

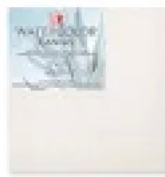

Fredrix

★★★★★ 4.8 387 Reviews

\$11.41 - \$29.25 Save up to 45% off list

The Senso Clear Primed Stretched Linen Canvas is made from a specially processed heavyweight linen that has a medium tooth with a good paint gripping texture and superb color elements creating a rich background for many unique painting effects. It is clear acrylic primed and will take acrylic colors, oil colors, caseins, alkyds and egg tempera. It will also make an excellent alternative to sanded pastel paper and it will enhance the value of finished paintings.
